HACKER

"A hacker is someone who experiments with the limitations of systems for intellectual curiosity."

~ Bruce Schneier, 2000

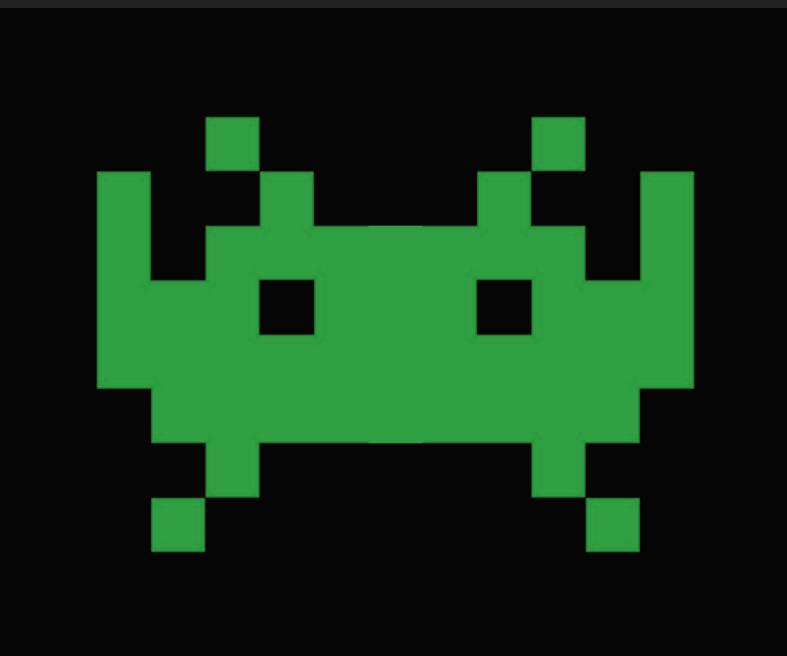

Ref.: https://www.schneier.com/blog/archives/2006/09/what_is_a_hacke.html

HACKER ORIGINS

*The modern term from MIT Railroad Club...
...but the source is a natural pattern of existence and becoming.*

WE PLAY GAMES

We hack stuff.

We have fun.

We hack also each other and each other's stuff.

We explore the World.

We do CTF.
